Around the World

Five friends live side by side in a row of 5 houses, numbered 1 to 5 from left to right. Each friend has a different home country, favorite food and favorite drink. Use the clues to work out who lives where.

	House 1	House 2	House 3	House 4	House 5
Country					
Food					
Drink					

Clues:

1. The person from Canada is either the salad lover or the tacos lover.
2. The person from Norway lives next to the tacos lover.
3. The curry lover lives directly to the left of the lemonade drinker.
4. The pasta lover is either the person in house 3 or the person in house 5.
5. The person from Japan lives next to the lemonade drinker.
6. The lemonade drinker lives directly to the left of the pasta lover.
7. The person from Japan lives directly to the left of the pizza lover.
8. The curry lover is either the cocoa drinker or the person from Canada.
9. The pizza lover is either the water drinker or the person from Norway.
10. The soda drinker lives directly to the left of the tacos lover.
11. The person from Japan is either the tacos lover or the pasta lover.
12. The water drinker is either the person from Canada or the tacos lover.
13. The water drinker is either the person from Canada or the person from Brazil.

"Either … or …" means exactly one of the two is true.
"Left" means a lower house number; "next to" means in a neighbouring house.
